DESIGN FUNDAMENTALS

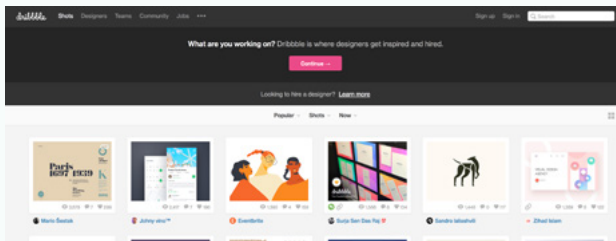

pages.xyz

Fantastic inspiration source for products. Categories inc. Pricing Pages, Checkout Pages and App Pages.

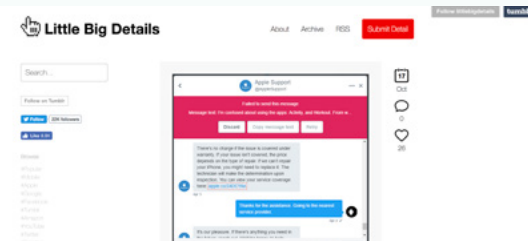

muz.li

Design inspiration curated and tailored to you every time you open a new tab.

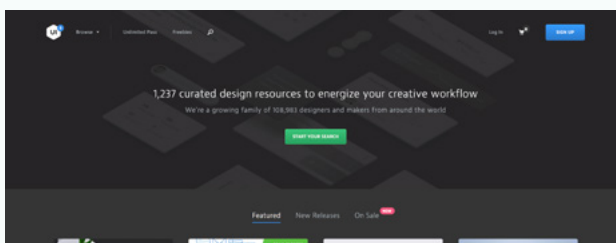

dribbble.com

Good for colours, small UI details and illustration. Not always the most usable designs.

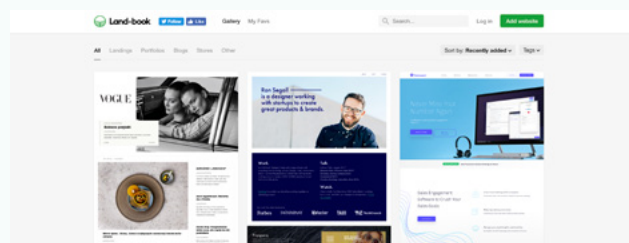

littlebigdetails.com

The little details in apps that make an experience surprisingly delightful. More UX than design.

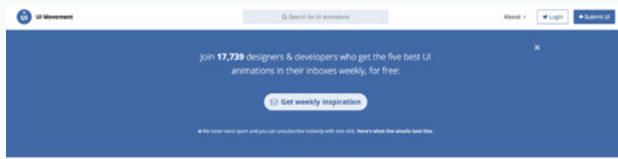

ui8.net

Technically a place to buy UI assets but the UI kids make for great inspiration if you need a particular pattern.

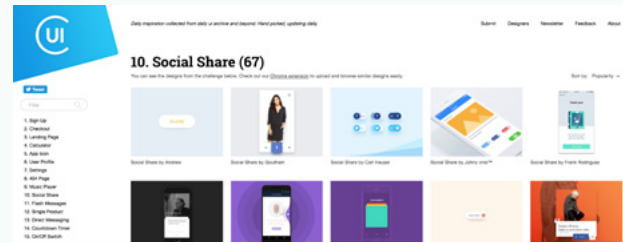

land-book.com

High quality, curated design inspiration for marketing websites. Includes a nice tagging feature.

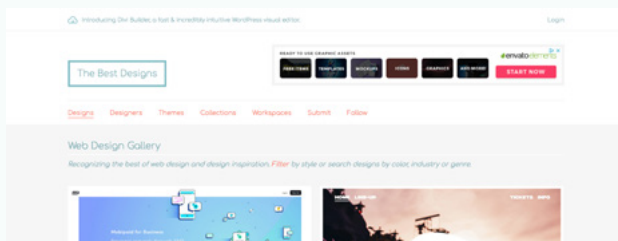

uimovement.com

Inspiration for UI animations but doesn't include code. Also good for general design inspiration.

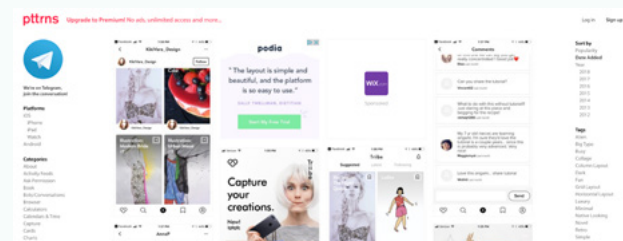

collectui.com

Huge amount of categories to search through. If you're looking for something specific, try here.

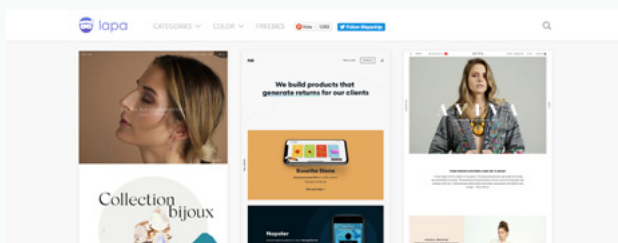

thebestdesigns.com

Curated design inspiration. Mostly for marketing websites. Search by style, colour, industry or genre.

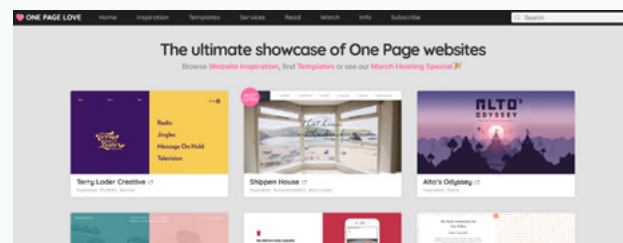

ptrns.com

Great for mobile apps. Large range of categories but can be overwhelming to browse through.

lapa.ninja

Similar to thebestdesigns.com - search by colour or category to see curated inspiration.

onpagelove.com

Landing page inspiration. Has recently moved towards more general marketing website inspiration.
